

# Invention and Innovation I: Grade 7

Understand invention, innovation, and the design process. 1.00

---

1 Recall inventing 101. 1.01

---

2 Explain the engineering design process. 1.02

---

3 Explain innovation in action. 1.03

---

Understand engineering core concepts. 2.00

---

1 Explain systems. 2.01

---

2 Explain reverse engineering. 2.02

---

3 Explain mechanisms. 2.03

---
