- B. identify forms of family violence, including physical, mental, and emotional violence; 5.14.B
- C. identify methods available to report bullying; 5.14.C
- D. identify ways to advocate for self and others to prevent bullying and cyberbullying behavior; and 5.14.D
- E. explain the impact of abuse and neglect and the importance of reporting abuse and neglect. 5.14.E

The student understands the difference between the use and misuse of different substances and how the use and misuse of substances impacts health. The student is expected to: 5.15

- A. explain the reasons to avoid the misuse of over-the-counter and prescription drugs; 5.15.A
- B. identify and explain the importance of each component of prescription and over-the-counter drug labels; and 5.15.B
- C. describe the physiological effects of alcohol, vaping products, tobacco, other drugs, and dangerous substances. 5.15.C

The student identifies and analyzes the short- and long-term impacts of use and misuse of alcohol; tobacco; drugs, including prescription

- A. analyze the short- and long-term harmful effects of alcohol, tobacco, other drugs, and dangerous substances such as inhalants and household products on the functions of the body systems and mental and social health; and 5.16.A

drugs; and other substances. The student is expected to: 5.16

- 
- B.** analyze the short- and long-term harmful effects of alcohol, tobacco, other drugs, and dangerous substances and describe the legal consequences of their illegal use. 5.16.B
- 

The student understands how to seek emergency help for self and others in poisoning and overdose situations. The student is expected to describe the signs of poisoning or overdose and identify how to respond, including who to contact for help. 5.17

- 17.** The student understands how to seek emergency help for self and others in poisoning and overdose situations. The student is expected to describe the signs of poisoning or overdose and identify how to respond, including who to contact for help. 5.17

The student understands how various factors can influence decisions regarding substance use and the resources available for help. The student is expected to: 5.18

- 
- A.** analyze how positive peer influence can be used to help a person decide not to use alcohol or drugs; and 5.18.A
  - B.** describe the importance of seeking help and reporting unsafe situations related to alcohol, tobacco, and other drugs. 5.18.B
- 

The student demonstrates refusal skills to avoid substance use and misuse. The student is expected to: 5.19

- 
- A.** assess how being assertive, using refusal skills, and evaluating peer influence can affect decision making and problem solving; 5.19.A
  - B.** identify a variety of scenarios and the different types of refusal skills that can be used to avoid the use of alcohol, tobacco, and other drugs; and 5.19.B
  - C.** identify and describe healthy alternative activities to the use of drugs and other substances. 5.19.C
- 

The student understands the characteristics of healthy romantic relationships. The student is expected to: 5.20

- 
- A.** define and distinguish between friendship, infatuation, dating/romantic relationships and marriage; and 5.20.A
  - B.** identify characteristics of healthy dating/romantic relationships and marriage, including sharing, kindness, honesty, respect, trust, patience, communication, and compatibility. 5.20.B
- 

The student understands how to set and respect personal boundaries to reduce

- 
- A.** define sexual harassment, sexual abuse, sexual assault, and sex trafficking; 5.21.A

**the risk of sexual abuse and harassment. The student is expected to:** 5.21

- 
- B.** identify ways of reporting suspected sexual abuse involving self or others such as telling a parent or trusted adult; 5.21.B

---
